Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Interstate 880 Interchange Improvement Project – Whipple Road-Industrial Parkway Southwest and Industrial Parkway West in surface transportation reauthorization legislation. The project sponsor for this project is the Alameda County Transportation Commission, and the project is located within the cities of Hayward and Union City in Alameda County, California. The funding is designated for interchange on-and off-ramp reconfigurations, modifications and/or replacement of bridge structures, local roadway realignments and restriping, and bicycle and pedestrian improvements in the cities of Hayward and Union City. The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: improving traffic operations and safety at the I-880/Whipple Road-Industrial Parkway Southwest and I-880/Industrial Parkway West interchanges by improving accessibility and enhancing mobility to the City of Hayward Industrial Technology and Innovation Corridor.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Eric Swalwell  
Member of Congress
